Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 13 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A hot and sunny Sunday. Cloudier on Monday.

Today:
Largely sunny, however, spells of low cloud drifting southeastwards across most parts. Very warm, with temperatures higher than the last couple of days. Winds will be fairly calm for most, as well. Maximum temperature 27 deg C (81 deg F).

Tonight:
A dry and mostly clear night. Warm and humid for many, without much in the way of wind to take the edge off. Minimum temperature 14 deg C (57 deg F).

Monday:
A weakening band of cloud moving from the northwest may bring the odd spot of rain with it, but Monday is largely looking dry and very warm. Maximum temperature 25 deg C (77 deg F).

Outlook for Tuesday to Thursday:
Largely fine on Tuesday. Risk of thundery showers for Wednesday and Thursday, especially in the southeast. Remaining very warm to hot, though possibly cooling slightly on Thursday.
